LOCAL SUBJECTS.

SHIMOGA DISTRICT.

(*No. 10.*)

Summary of Representation.—The maximum rate of garden assessment fixed in this taluk comes to about Rs. 18 per acre and this is found to be higher than the rate fixed in any of the neighbouring taluks. Owing to scarcity of labour, and increased cost of cultivation, garden owners derive little or no benefit out of these gardens. It is therefore prayed that the rates now fixed may be reduced.

SUBJECT No. 10.

Reduction of assessment on garden lands in the Tirthahalli Taluk.

Messrs. Y. Rama Rao and B. Gopalachar, Tirthahalli Taluk.

KADUR DISTRICT.

(*No. 11.*)

Summary of Representation.—Local Fund roads in the *malnad* taluks of Koppa and Mudgere were originally under the management of local bodies. They were subsequently taken over under Government management. It is understood that, in British India, Local Fund roads are managed by the local bodies themselves, the Government providing necessary funds for their up-keep. The condition of the roads in the *malnad* may be greatly improved if the Government transfer their management to the local bodies, providing them with the funds necessary for their maintenance.

SUBJECT No. 11.

Transfer of the management of Local Fund roads in the *malnad* to Local Bodies.

Mr. J. Ganesha Rao, Kadur District Board.
